Instead of piecemeal a number of supplemental applications for funds, instead of thinking out the requirements once for all, & bringing to notice of much inconvenience & delay. The Education Budget has already been dealt with it was in fact passed in Council & published & the file has come back for certain information being supplied. We shall not have to be modifying the figures entered in that budget.

As regards the present application, the prevailing remarks in the Note dated 4th Nov. A sum of Rs 3825 alone necessary, while the rest may be disallowed.

After the Hon'ble Councillor records his orders, the file will be sent to the Accts. Branch for completion of the Expenditure.

It seems to be absolutely necessary to sanction this for starting the work of keeping stores in a few Centres at least. I don't see how it can be avoided without risk of all the learning that Teachers have undergone in the Sloyd & Kindergarten Classes going to waste.

I suppose the D.I. will send up detailed accounts of expenditure under the foregoing heads & similar heads sanctioned before this for formal final sanction of Govt.

This is a case on which the Finance Branch was not consulted but the final orders on which have been sent for issue by that branch. The proposals involved additional expenditure and under the standing orders the Finance Branch should have acted on them.

All the items of expenditure except one, are of a non recurring character and as provision for them has been made in the sanctioned budget and as H H has also sanctioned them, the order may issue from the administrative branch and a copy sent to Finance Branch

Planting the forests be repeated for several years more but the Scheme also involves permanent recurring expenditure in the form of remuneration to teachers of gardening, repairs & Tundras There however no allusion to these permanent charges in the present perusals of Mr Bhabha or in the views passed on them But once the Scheme is started these items of expenditure become inevitable It has not been calculated what the entire Sehoo Scheme will cost and how much of the cost will repeat every year — Mr Bhabha is of opinion that provisions for future years need not be now considered for obvious reasons this is safe to be committed to an arrangement the exact financial liability of which is indefinite

The recurring portion of the charges sanctioned so far is small & I see no objection to it. The extension of the scheme in general to all primary schools is likely to be a costly affair & will naturally depend on the funds at our disposal future years

To

K S Chandrasekhara Iyer Esqre BA, BL,
Secretary to the Government of H H the Maharaja of Mysore
SIR General and Revenue Departments

Sanction Govt D 7435 dated 5/6/08

In continuation of my letter no 8244/563 of 5th April 1908, I have the honour to inform you that out of Rs 42860 sanctioned for the Kindergarten and Manual Instruction in Government order No 1647-54 / Ed 390-06-11 of 19th August 1907 and provided for in the current years budget, Rs 38226/- has approximately been spent This amount includes nearly the whole cost of equipping nine Lloyd Centres The balance of Rs 4633/- has been left unspent, because tools &c ordered from Sweden and America for some of the Lloyd centres at a cost of about Rs 2500/- have not yet arrived, and the Comptroller objects to pay for them

[redacted] art instructors also whose [redacted] have not yet been appointed

2 As the question of the rare mrs watts's estate has not yet been settled, her pay amounting to Rs 5'25 for 21 days in November 1907 remains to be paid The pay of Miss Williams for March 1908 amounting to Rs 350/- has not yet been paid as the permission to pay has not yet been granted by Government (see Inspector General's letter no 10029/697 of 5th June 1908) Therefore Rs 875/- is provided for payment during the next official year

3 Forty big almirahs with pegeon holes to keep the unfinished works and drawings of the Lloyd pupils for the nine centres have to be made at a cost of Rs 1800/-

4 It is proposed to open Classes for Cardboard instruction in 50 centres each centre containing a class of about 30 boys The number of boys under training in Cardboard work in all the centres will be 1500 at a time These cardboard Classes will have to be provided with cardboards and boxes of instruments The total cost of Cardboard and boxes of instruments is estimated at Rs 3500/- The boxes of instruments which cost Rs 1/8 per each pupil will last for many years to come

(5) A few tools etc, which have to be kept always in stock, so that any of them that may be broken or rendered useless in the Sloyd classes may be replaced without loss of time, have been ordered at a cost of about Rs 800/-

6 As proposed in para 12 of my letter no $\frac{7935}{669}$ dt 23rd April 1907, provision should be made in 1908-9 for School gardens for at least 20 middle schools and for flower gardens for 20 Primary schools at a cost of Rs 90 and Rs 10 for each garden respectively a sum of Rs 1800 + 200 or Rs 2000/- will be required for school gardens in 1908-9

7 Sloyd pictures of the different postures of pupils at work have been purchased for the use of the Sloyd centres They have to be framed at a cost of Rs 288/. A provision of Rs 537 is made to meet other unforeseen charges at the nine Sloyd centres

8 I submit herewith two statements showing the amount spent during the current year from the special provision of Rs 42860/- and the amount required for 1908-9, Kindergarten Instruction and Manual Training

I request that Government may be pleased to sanction a special grant of Rs 12300/- for the purpose for 1908-9 and include the same amount in the final Budget estimates of 1908-9 Within this special grant the equipment of the nine Sloyd

centres which it is proposed to open as early as possible at the district headquarters and Chamapatia, will not be complete and it will not be possible to start the work

I have the honour to be,
Sir,
Your most obedient servant
H J Bhabha
Inspector General
